## **WELCOME NEW MEMBERS!!**

Eight new members were inducted in April, following a successful membership drive dinner at the Island Hotel. Thanks to member Stanley Bair and her crew for the delicious meal.

Left to right are new members: Ken Young, Marvin Franks, Jackie Gorman, Sarah and Lannie Cardona, George Sresovich. Ed and Alba Way. Our newest members have already begun to help!

## **Activities in Review**

The CK Lions club is seeking alternate methods of offering scholarship money to the Cedar Key School. We heard presentations at the last meeting from Central Florida Community College and the CFCC Foundation. Much more discussion and information gathering will follow, in hopes of establishing different avenues for 2009.

Our web site is being developed. A sneak peek indicates it will be a great information venue with lots of space for pictures, news of interest to the public and an opportunity for members to keep up with upcoming events, meeting notes, special needs etc.

We contributed \$500 to each of seven Lions charities this past quarter, and are on track to contribute \$10,000 over the year. This in one way we are part of the big picture in Lionism.

Eyesight committee reminds us of the continuing need to collect used eyeglasses. Bring them to a meeting with you Also we currently have two individuals scheduled for cataract surgery.

Next Meeting May 13th - see you there!

*We cooked some corn and built a ramp*

**GET INVOLVED**

## **New Officers, Directors and Needs**

The incoming officers approved by acclamation during our membership meeting on April 22, 2008 are as follows: President- Rory Brennan, 1st VP and Membership Chair - Bob Robertson, Treasurer - John Hollandsworth, Secretary - Jackie Gorman, Directors- Maurice Hendrix, Roland Senecal, Betty Asbury. Thank you for agreeing to serve your club in these functions.

Committee sign-up sheets were passed around and everyone is expected to serve in some capacity. Besides committees, we need **IDEAS** as to how to raise funds within our club for our Tail Twister account. We use these internal funds to pay for our dinners out, for our drinks and food at meetings and our most current wish is for a small refrigerator for storage of our supplies at the community center. If you have a suggestion - speak up!

Multi-District meeting Saturday May 3rd in Ocala. Maurice, Rory and Jackie will be attending as our delegates to cast our votes for the International President candidate from our area.

Members have expressed a desire to have "CK Lion" t-shirts to wear during festivals and while picking up trash along SR 24 during our Adopt-a-Road project. If you want one, or want to help fund the project, let someone know.
